

Engaging All Generations in Learning Excellence

“To promote, maintain, and improve the quality of education in the public schools of Sidney, Montana in ways that would not happen with traditional funding alone.”

★ SUPPORT OUR MISSION—GIVE ME FIVE ★

The official name is Sidney Education and Alumni Foundation and our official name for marketing purposes is Eagle Foundation, Inc. The foundation is a 501c organization allowing staff and community members to make tax-deductible donations. You can make a difference today for our students by participating in our annual GIVE ME FIVE pledge campaign. Foundation funds support a variety of school programs that have ranged from Teacher Grants to the High School Concessions/Restroom Facility. Over the years, we have awarded over \$100,000.00 for various projects and grants that align with our mission. By giving us as little as \$5.00 a month you are ensuring that we can continue to support Sidney Public Schools in ways that would not happen with traditional funding alone.
